JOKES

Pfeifer: The man said that this world is a dangerous place; only a few of us get out of it alive.
Williams: I'd never once thought of being in such a dangerous spot before.

Morris: What is love anyhow?

Backner: Love is a man's insane desire to become a woman's meal ticket.

Slayton: How do you manage to keep such a good stand-in with the girls.

Wyatt: It's all in knowing how to kiss.

Slayton: Yes, but how do you get them to kiss you?

Wyatt: Getting a girl to kiss you is easy if you use come-on sense.

Adair: Do you want anything on your face when I am finished.

Arnold: Well, I hope you will leave my nose!

Lieut: Did you sweep the dirt from under those pop boxes?

Beck: Yes Sir, I swept everything under the pop boxes.

Beck: What key are you playing in?

Pfeifer: Skeleton key.

Beck: Skeleton key?

Pfeifer: Yes, it fits anything.

Fred: Is this the Weather Bureau

Weather Mna: Yes, sir.

Fred: How about a shower tonight

Weather Man: It's all right with me. Take it if you need it.

Beck: (With platter full of meat) Do you want some of this, Preacher?
Preacher: No, thanks, Beck, I'll take the next platter.

Moorman and Simmons fishing.

Simmons: It's getting late and we haven't caught a single fish.

Moorman: Well, let's let two more big ones get away and go home.

Judge: Have you anything to offer the court before I pass sentence on you?

Wall: No, Your Honor, I spent my last dollar in the Palace Drug.

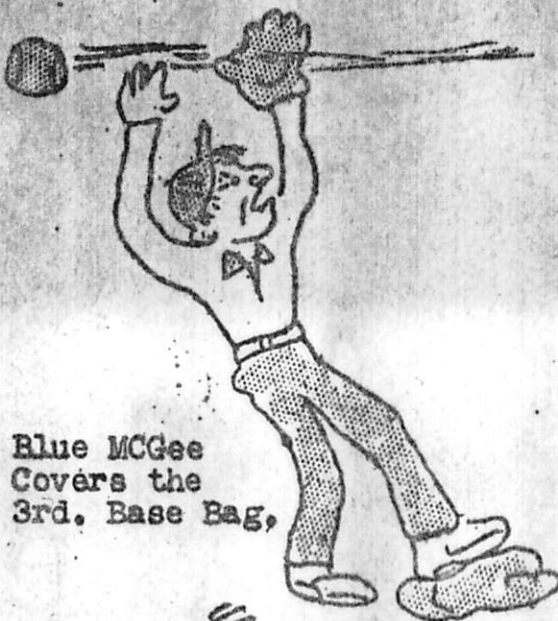

J.B. Is that a popular song that Quinton is singing.

Slim: It was before he started to sing it.

Pop England: Snap into it you fellows. We have to get this job finished.

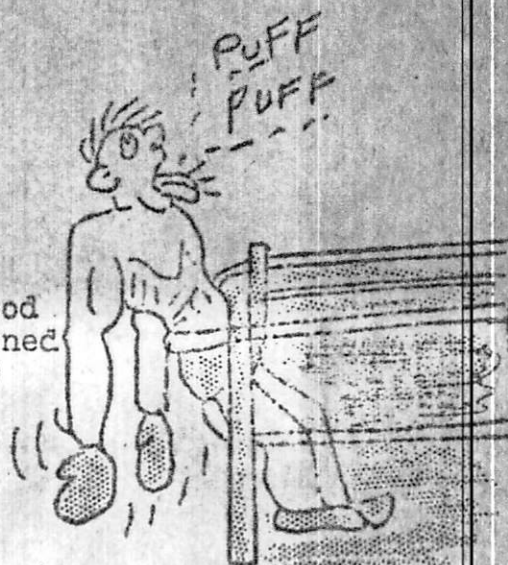

Innan: But Rome wasn't built in a day?

Pop: I know, but I wasn't bossing the job either.
